New garden under existing trees to extend between path sections for ease of maintenance.

Additional trees to perimeter of grassed area. Trees in 2m dia mulch rings.

Existing specimen tree planting to edge of reserve (marked with a '+').

Additional garden under existing tree.

'Swing 2 bay duo' 2 x regular swings, 2 x baby swings (ex. Creo). Fall zone shown dashed.

9m2 'Excel Scuff Pads', colour black (ex. Play Matta) under each swing bay.

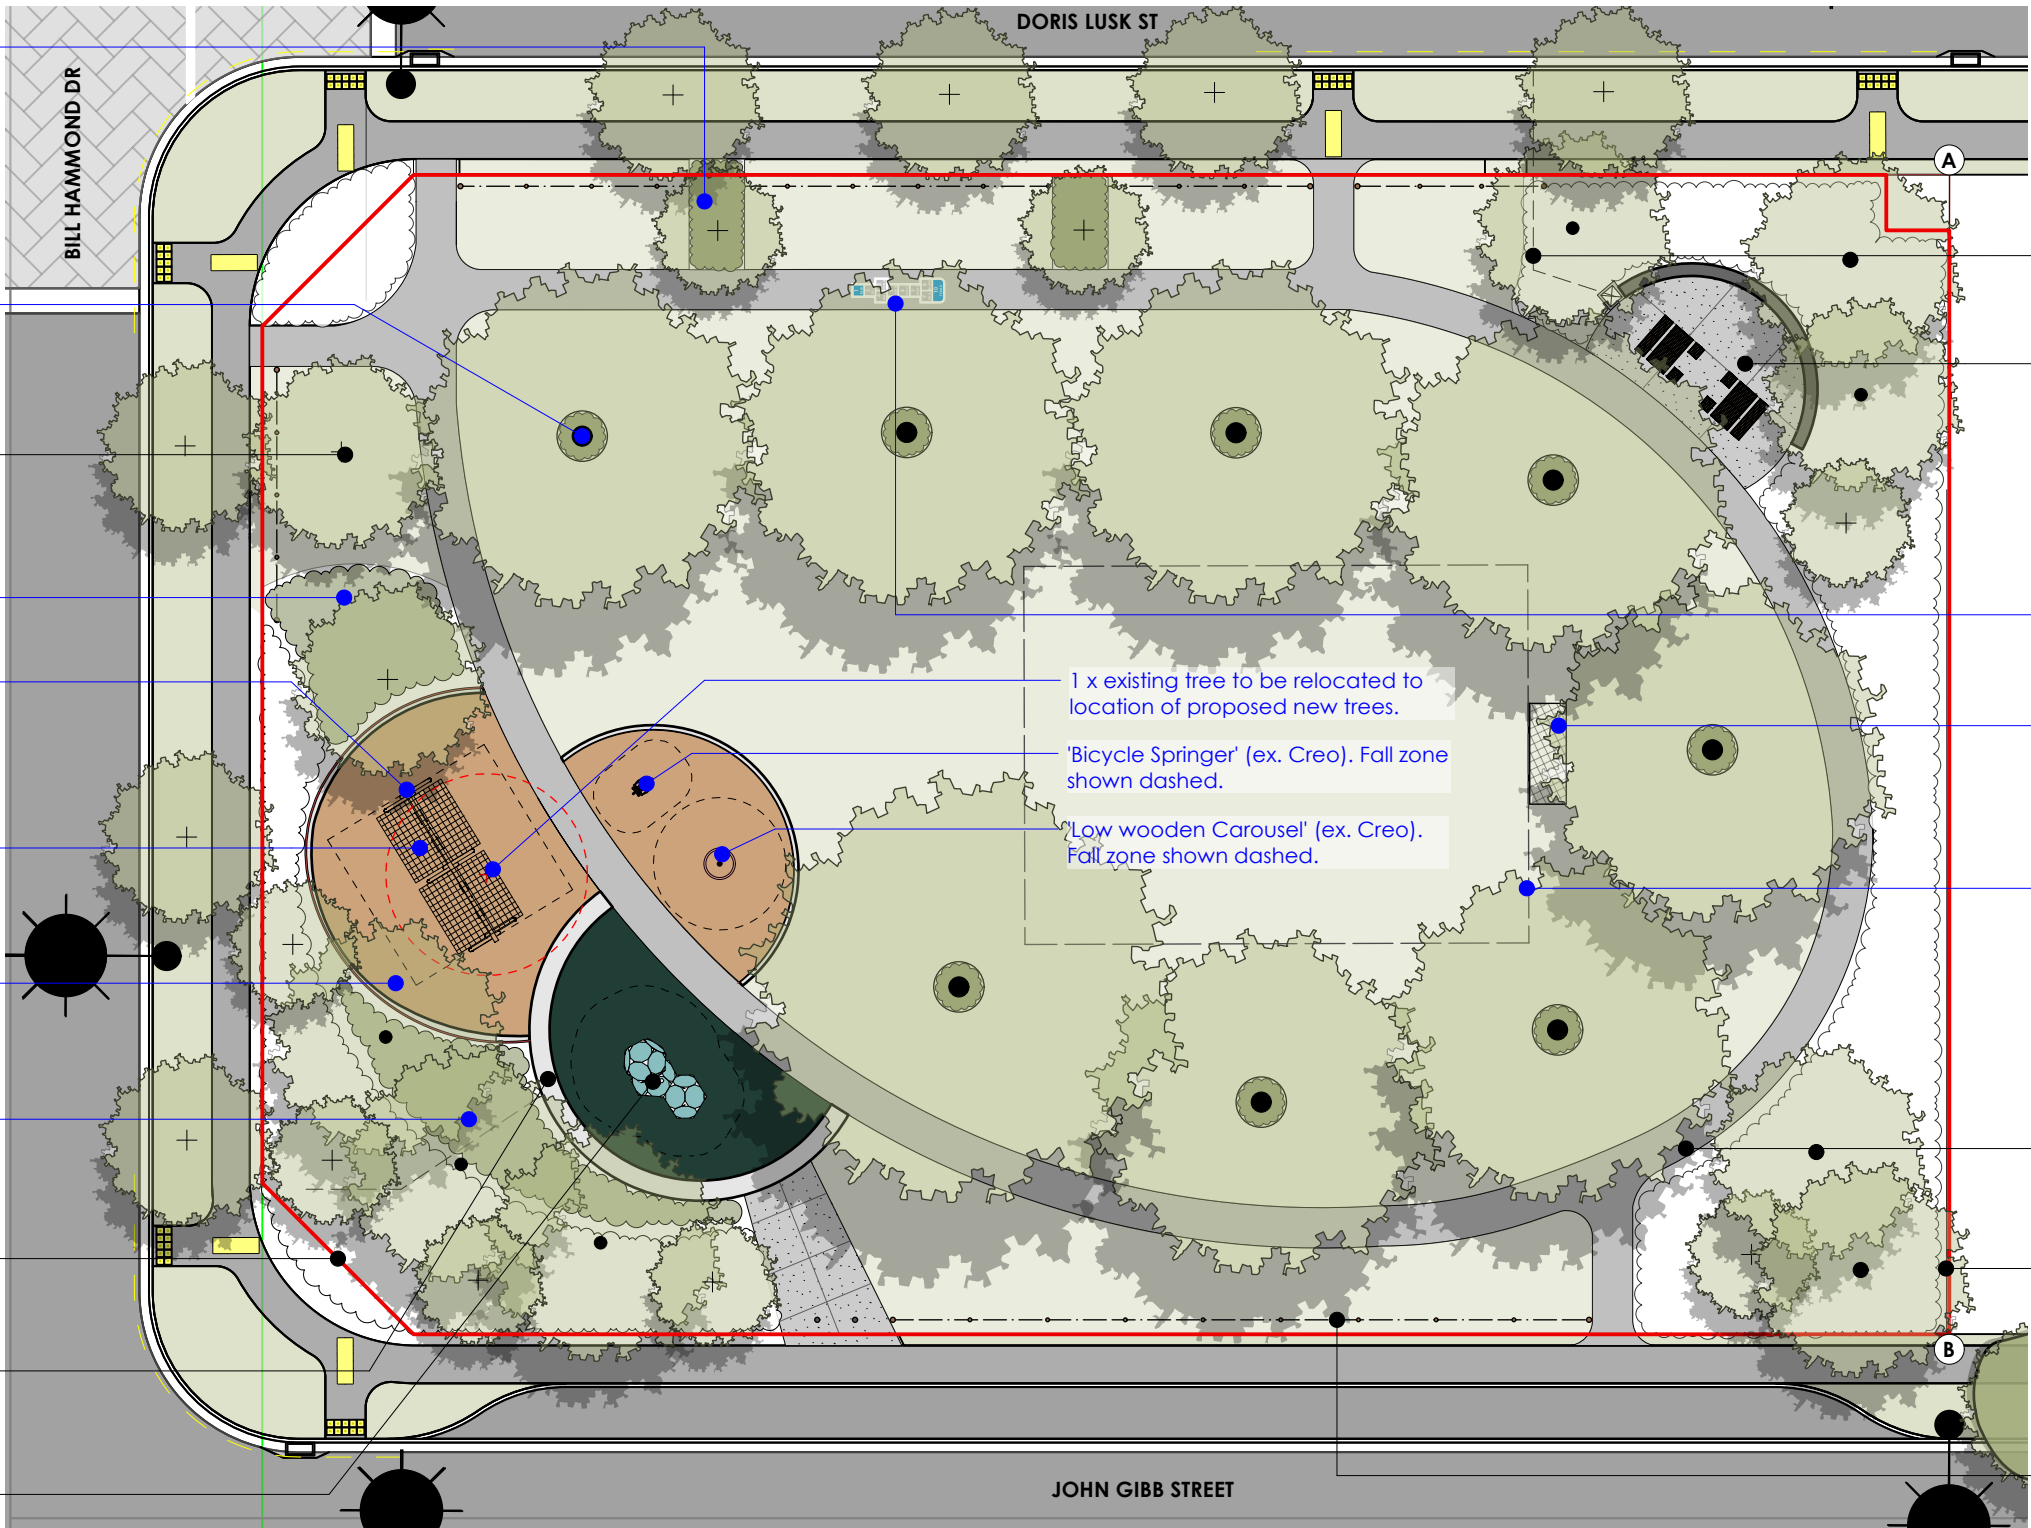

Playground approved bark chip under new play equipment with 200mm wide concrete edge. Refer details.

Additional garden planting. 3 x new tree planted in new/existing garden bed areas.

Reserve boundary, existing planting extends into road reserve.

Existing sumps on edge of playground area. All falls to sump.

Play climbing module on rubber soffitall.

Existing sump connecting to storm water lateral.

Picnic area with picnic tables over concrete paving. Low concrete wall to north side.

Outdoor painted games on asphalt (1 x Te Reo Hopscotch).

1 x 'Velocity Portable Goal Junior' 4x2m with netting (ex. Perennial Sport & Turf).

20 x 15m open space area for junior goal (shown dashed grey).

Asphalt path connecting play and picnic areas.

1.2m high open railing 'pool style' fence to boundary (A-B)

Post and cable fencing to reserve perimeter.
