Amenities on Brighton Mall

01. Do you support the new paving along the mall? Required

We're installing new paving that extends the weaved pattern from Marine Parade that symbolises the baskets used for food gathering and trade.

02. Do you support the creation of a central gathering area? Required

We're creating a central gathering area, adjacent to the Village Green to provide options if the Village Green site is redeveloped in the future. To do this, we'll need to relocate two palm trees. Cultural patterns will be etched into the grey central area.

Travelling through Brighton Mall

Currently, Brighton Mall is designated as a pedestrian mall which means cycles and skateboards are not allowed. We propose changing this designation to a shared zone, like Cashel Mall, to allow bikes and skateboards, which will make it easier for people to access the mall from the City to Sea Pathway and the shared pathway on Marine Parade. Changing the mall to a shared zone would mean that as the regeneration of the mall and surrounding area progresses, the Waitai Coastal-Burwood-Linwood Community Board would have the flexibility to change how the mall operates – things like the rules around bikes and skateboards in the mall, and the days and times vehicles are allowed. Dogs are now permitted on leash along Brighton Mall. As part of the upgrade, we'll update relevant signs.

06. Do you support changing Brighton Mall from a pedestrian mall to a shared zone? Required

We propose changing the designation of the mall to a shared zone and removing the bike and skateboard restrictions. Bikes and skateboards will have to travel through at a low speed.
