Legend

- Indigenous tree, shrub and tussock planting
- Tree planting
- Shrub planting up to 2 metres high
- Low grassed mounding up to 1 metre high
- Asphalt paving
- Feature paving
- Skate / bike circuit shared walkway
- Lawn

1 BOUNDARY FENCES
Investigate opportunities for modifying fences and improving visual and physical links between properties and park.

2 PARK ENTRY
Feature planting incorporating significant art element.

3 COMMUNITY EVENT LAWN
Retain as open grassed space for flexible community use.

4 GARDEN AREAS
Low mounding and tree and shrub planting provide variety of sheltered seating opportunities around perimeter of event lawn.

5 PARK LINK
Pedestrian access from Aldershot Street to Ben Rarere Avenue.

6 PARK ENTRY
Possible multi purpose hard surface area as entry feature to park including seating, art element.

7 POCKET PARK
Feature park within Walnut Park incorporating: possible significant art element, shelter seating, indigenous planting themes, paths.

8 HAMPSHIRE STREET SHOPPING CENTRE
Promote opportunities for rear of shopping centre to increase/improve customer use, improve access to and visual linkages with the park, enhance safety, security and amenity values.

9 EXISTING BUILDING
Retain for expanded community use.

10 EXISTING CARPARK
To be retained.

11 COMMUNITY CENTRE
Retain and promote opportunities for increased use. Investigate alternatives for providing a permanent stage with improved visual and physical links between the community centre and park. Enhance Hampshire Street frontage.

12 COMMUNITY EVENT COURTYARD
Provide all weather hard surface event space as part of permanent stage project to rear of community centre. Low grass mounding provides informal amphitheatre/seating opportunities. Incorporate art elements as key character feature of space - art brief to be developed in consultation with community.

13 NETBALL AND BASKETBALL
One or two hard surface courts developed over existing carpark.

14 VOLLEYBALL COURT
Grassed court surrounded by low grassed mound.

15 SENIOR PLAY AREA
Existing flying fox and senior climbing rock.

16 JUNIOR PLAY AREA
Existing range of play equipment including junior climbing rock.

17 PICNIC AND HANGI AREA
Community barbecue and hangi pit area with seating, tables and shelter.

SKATE CIRCUIT
Paths throughout park provide opportunities for skating and biking around a 600 metre long circuit.

19 CARPARK
Possible future car park dependant on demand.

20 BOUNDARY
Planting and boundary fence enhancement project in association with Housing New Zealand.
