## Alcohol Licences

### Information about Applications for Alcohol Licenses

The Alcohol and Licensing Team is keen to ensure people are aware of applications in their areas. We have highlighted Fendalton-Waimairi-Harewood applications so you can keep an eye on ones that come up for your area. For information about how to make an objection, click [here](#).

Separate from objecting to a licence application there are other ways in which members of the community can contact the Council at any time to raise any concerns or problems you may have with existing licenced premises, such as noise, nuisance, vandalism or specific promotions. For further information read the brochure: [Alcohol Licensing in the Community](#).
