

A close-up photograph of a green, woven fabric with a yellow stripe, likely a traditional textile. The fabric features a complex, interlocking woven pattern. A prominent yellow stripe runs diagonally across the frame, adding a vibrant contrast to the green. The texture appears smooth and slightly glossy, with the lighting highlighting the intricate details of the weave. A faint, large, stylized watermark is visible on the right side of the image.

New Charities Law Workshop

The Waitai Governance Team have been working with the Community Board Chair and Deputy Chair along with the Social Equity & Wellbeing Network in order to finalise a draft Strategic Map for the Raranga te Rawhiti - Weaving the East Project. This has since been workshopped with the three Board Councillors on 9 September 2024 and then with the whole Community Board on 26 September 2024. The plan will be approved at the Board meeting on 7 October 2024.

The Waitai team has been actively gathering and refining community maps that illustrate the network of relationships across the three wards. This effort involves identifying key connections with stakeholders, organisations, and community groups, along with understanding their influence and reach within the community.

RARANGA TE RAWHITI

WEAVING THE EAST

SEPTEMBER 2024

Bromley Activation

On the 23rd, the Bromley Community Centre, in partnership with the Waitai Community Governance team, began the process of painting play stencils around the Centre to create a more engaging and interactive environment for local families and children.

A big thanks to the Christchurch City Council Graffiti team for generously donating the paint, which made this project possible and helped bring the community's vision to life.

Better off Funding

Kawai Rangatahi received Better off Funding to host an Outdoor Movie at Linwood Park (Te Pou Toetoe) on Friday 20th September. Working in collaboration with YCD, the showing of Shrek brought close to 250 people with a great mix of Ragataghi and Whanau attending the free event.

There was free food and drinks on offer for anyone who attended and people were encouraged to bring their own seats/blankets to make the most of the great weather.
