What's on Christchurch - What's On Disability

The disability community have been asking for a one-stop-shop to find events, programmes and activities that are specifically for them. There has been a team from a number of community organisations who have been looking at solving this problem.

So instead of looking on a variety of different platforms, we are concentrating them all in one place – What's On Disability within What's On Christchurch. [What's On : Christchurch City Council](#)

What's On Christchurch is a Council website that helps the community find out about what's going on in Ōtautahi Christchurch. It is already well-used and supported by the community, but there is now a dedicated tile when you go into the What filter on the front page. It is called What's On Disability.

What we are inviting you to do is load your disability events, programmes and activities onto the page.

Criteria for events:

- Must be specifically for people with disabilities, not just an accessible event.
- Must be open to the public. It can't be for members of one organisation only. You can specify who the event is designed for e.g. Under 16's.
- If your event is mainstream, then advertise on the main page and specify how your event is accessible.
- It can be one-off or on-going e.g. a one-off event or a new programme starting in the beginning of the term

What you need to do to load an event (this is down the main page)

- You will be asked to create a log-in.
- Have all the details about your event, e.g. location, start and finish times and dates, cost.
- If your event occurs weekly, tick the weekly box and choose a start and finish date that you want it advertised.
- A photo or graphic (this is essential). None of the imagery can have words on it, it shouldn't be a poster with words about the event on it.
- A blurb about your event

Your events will not load automatically. They get loaded on at night so I am starting with a few organisations and then we will build the number of events over the coming weeks.

Comments and suggestions welcome to help with this as it evolves. Email activecommunties@ccc.govt.nz if you have any comments or suggestions to make this an even better experience.

Email whatson@ccc.govt.nz for any technical advice around your listing.

We are hoping this is a real asset to yourselves and the disabled community. It's been great to get this off the ground.
