Q1 How much do you agree or disagree with our sinking lid approach?

Multi Choice Strongly disagree

Q2 If you don't agree, select why

Multi Choice I prefer another type of restriction on the number of venues and/or pokie machines in Christchurch, e.g. a cap on the number of venues allowed to hold a licence.

Q3 How much do you agree or disagree with our approach to not allow existing pokie venues to relocate?

Multi Choice Disagree

Q4 If you don't agree, select why

Multi Choice A business should be allowed to relocate with their pokies licence because it doesn't add any extra machines or venues to Christchurch
A business should be allowed to relocate with their pokies licence if the current venue is impacted by fire, flood, or earthquake

Q5 If there were to be a relocation provision in Christchurch, what conditions should apply?

Multi Choice Sensitive sites restrictions i.e. venues can't relocate close to education facilities or addiction and rehabilitation facilities
Deprivation restrictions i.e. venues can't relocate into high deprivation areas
Venues can move to locations close to their current i.e. on the same street or in the same suburb

Q1 How much do you agree or disagree with our sinking lid approach?

Multi Choice Strongly disagree

Q2 If you don't agree, select why

Multi Choice I don't think there should any restrictions on the number of venues and/or pokie machines in Christchurch

Q3 How much do you agree or disagree with our approach to not allow existing pokie venues to relocate?

Multi Choice Strongly disagree

Q4 If you don't agree, select why

Multi Choice A business should be allowed to relocate with their pokies licence if the current venue is impacted by fire, flood, or earthquake
A business should be allowed to relocate with their pokies licence because it doesn't add any extra machines or venues to Christchurch

Q5 If there were to be a relocation provision in Christchurch, what conditions should apply?

Multi Choice Distance from other pokie venues i.e. venues must be a minimum distance away from each other, this is intended to avoid a concentration of venues in one area
Deprivation restrictions i.e. venues can't relocate into high deprivation areas
Sensitive sites restrictions i.e. venues can't relocate close to education facilities or addiction and rehabilitation facilities
