We invite you and your whanau to join us for morning tea and hear about Foster Hope from Ngarie. Foster Hope was started by two ladies in Auckland who are both huge supporters of helping others. They came up with an idea to help caregivers with practical support when they needed it most, when a child turns up on their doorstep late at night with very little and in some cases a rubbish bag of belongings. 'Kits2Kids, as it was originally known, delivered its very first backpacks of essentials items throughout the Auckland area in 2010. Foster Hope has since grown from the early days and now has branches of volunteers throughout New Zealand eager to support their region's caregivers. We rely on the incredible support of our community both monetary and physical donations, alongside grants from both the public and private sectors.
