### Upcoming Workshops and Support for Community Groups and Organisations

**[Incorporated Societies Act 2022: Information Hub](#)** Parry Field and Co lawyers are offering an information Hub because all 24,000 Incorporated Societies are going to need to act under the new Incorporated Societies Act 2022. Here you will find articles, guides, videos, FAQs, and more so you can be empowered to take the right next steps. *They are also offering FREE zoom sessions:*

- [Friday 10th October 2025](#)
- [Friday 13th February 2026](#)

**[Community Capacity Accounting](#)** is a very special accounting firm: we specialise in not-for-profit organisations. *Upcoming workshops:*

#### ***New Chairity Reporting Rules***

- [Tier 4 – do it yourself](#): free online. 10 am, 15 October
- [Tier 3 – important changes in 2025](#): \$35 online. 10am, 17 September

### **[Community Law Canterbury \(CLC\)](#)**

CLC is running three different workshops about the new incorporated societies laws. These workshops will be relevant to any groups whose name appears on [Company office register](#).

#### **How to book:**

Email [communityeducation@canlaw.org.nz](mailto:communityeducation@canlaw.org.nz) and tell them

- the name of the Society,
- the name (or names) of the people who will attend, and
- the date/time of the workshop (or workshops) chosen.

**Write a new constitution:** All incorporated societies will have to have a constitution that matches the new law and, at this workshop, CLC will explain the wording of a free online constitution builder tool that groups can use.

- *Mon 15 Sept, 6.30 – 8.00 pm*
- *Sat 18 Oct, 10.00 – 11.30 am*

Anyone wanting to come to this workshop must first have attended one of our introductory workshops. This is because the constitution workshop will be difficult to understand if the person attending does not already know about the new law.

**Re-registering your incorporated society:** For those societies who want to know what new things they will need to do.

- *Mon 08 Sept 12.15 – 1.30 pm*

**Who can attend:** Anyone who is on the Committee/Board of a Christchurch incorporated society, as long as they are not a lawyer, accountant or paid advisor to the group.

If English is a challenge for everyone on the Committee/Board, the group are welcome to nominate someone to represent them at the session who can then relay the information to them after the workshop.

### **Services provided by Community Law Canterbury**

Unfortunately, due to the over 3,500 incorporated societies in Canterbury, CLC is not able to offer to provide one-on-one assistance to every incorporated society. This is why CLC is providing the workshops – it's their way of

trying to assist as many groups as possible, given our limited resources. Most groups are finding that these workshops provide them with all the information they need but, if there are groups who want/need one-on-one help with their constitution, they could try contacting **Te Ara Ture**. This is a service that helps to match community groups with lawyers who may be able to help. Those lawyers are either free or working at a much-reduced cost. Their priority groups include recent arrivals to NZ as well as Māori and Pasifika organisations, so they may be able to help find a lawyer for group who fits that description and who needs extra support. More information about them is available here: <https://tearature.co.nz/for-organisations/>

**Community Networks Aotearoa (CNA)** - Tick for Governance online course, designed to enhance governance skills for community organisations. Explore the engaging modules and improve your governance skills - learn more here. Learn more [here](#).

**Equipment Resource Directory** - Check out this [online directory](#) . It lists recreation and event equipment available to community organisations at an affordable hire rate. Some equipment is free to hire.

**Excult** is one of New Zealand's leading training providers for the community sector

*Upcoming workshops:*

- [Raising Your Profile - Online](#): 26 August & 2 September 9.30 am – 12.30 pm
- [Measuring the Impact of Volunteers – Online](#): 9 & 16 September 9.30 am – 12.30 pm
- [Sustainable Funding Workshop - Online](#) : 14 & 21 October 9.30 am – 12.30 pm
- **(new)** [Growing Great Volunteer Teams – Online](#): 11 & 18 Nov 9.30 am – 12.30 pm

## Alcohol Licences

### Information about Applications for Alcohol Licenses

The Alcohol and Licensing Team is keen to ensure people are aware of applications in their areas. We have highlighted Fendalton-Waimairi-Harewood applications so you can keep an eye on ones that come up for your area. For information about how to make an objection, click [here](#).

Separate from objecting to a licence application there are other ways in which members of the community can contact the Council at any time to raise any concerns or problems you may have with existing licenced premises, such as noise, nuisance, vandalism or specific promotions. For further information read the brochure: [Alcohol Licensing in the Community](#).
