VOL. 2 | 2026

Brought to you by the
**Avonhead-Russley
Community Network**

Welcome to the Avonhead / Russley Community Directory!

Welcome to the Avonhead & Russley Community Directory, proudly created by partners including the Avonhead Community Trust, Christchurch City Council, Waimāero Fendalton-Waimairi-Harewood Community Board, Crosbie Community Sports Hub (formerly Riccarton Leagues Club), Riccarton Sports Hub, St Christopher's Church, and St Mark's Church & Community Centre.

This second edition is **available online only** and showcases local services, activities, groups, and sports clubs, providing a useful resource for residents old and new. A full reprint and updated edition will be produced in 2027, continuing to keep the community connected and informed.

For inquiries, contact us at arcn.chch@gmail.com.

Avonhead / Russley Community Network logo

The logo reflects the natural features, history, and community spirit of Avonhead and Russley while honoring its connection to Ōtautahi and its people.

Key Elements:

Ōtākaro Awa: Two arms symbolise the river's head, historically a waka launching point enabling travel across Ōtautahi.

Ngā Puna Wai: Koru shapes represent the area's springs and creeks, the migration of hapū, and the raperape ('ripples of learning'), symbolising connection and movement.

Cherry Blossoms: Iconic to Avonhead, they signify growth, renewal, and optimism, reinforcing the community's bond with nature.

Unity in Diversity: The 'A' arms represent Avonhead and the unity of Tangata Tiriti and Tangata Whenua.

The colours draw from local schools (Russley, Avonhead, Westburn, and Merrin), blending red, blue, and green.

Special thanks to Damian Mackie (Whakaraupō Carving Centre Trust) for his cultural insights and to Daniel Price (Daniel Price Art & Design) for the logo and Directory design.

Staying safe and getting involved

Christchurch North Community Patrol: Safeguarding Your Local Community

We are a team of committed volunteers patrolling local streets, schools, malls, parks, and public spaces to keep our community safe. By promptly reporting suspicious activity to the Police, we ensure everything remains secure.

Interested in joining? We work closely with Neighbourhood Support, allowing residents to request patrols for their streets during our shifts to address any concerns. Our volunteers come from diverse backgrounds—retirees, former police, fire, and ambulance officers, as well as future police recruits. If you're passionate about making a difference, we'd love to have you join us!
