## Drop in session regarding Barnett Park tree planting plan

[Letstalk.ccc.govt.nz](http://letstalk.ccc.govt.nz)

### We're planting more trees in Barnett Park to grow our urban forest

Many people have been in touch about the tree planting plan for Barnett Park. So, we have organised a time to meet with the community. The Urban Forest Manager will be there to discuss the plan and answer your questions.

We will run the meeting drop-in style, so you can come along anytime within the time slot, ask your questions and stay as long as you like.

**When:** Tuesday 20 January, 4:30pm-5:30pm

**Where:** Barnett Park, on the park side of the Ferrymead Bay Football changing rooms *(weather permitting)*

*Wet weather meeting point: Matuku Takotako: Sumner Centre Puoro-raki Hall.*

#### More detail

You can view the plan on the back of this flyer. For more detail, head online to [letstalk.govt.nz/barnett-park](http://letstalk.govt.nz/barnett-park)

#### Timeframe

We expect the Waihoru Spreydon-Cashmere-Heathcote Community Board to make a decision on this tree planting plan in March 2025. If approved, planting will begin in spring 2026.

Existing number of trees	34841 m <sup>2</sup>
Existing canopy cover	approx. 39%
Number of new trees	9963 m <sup>2</sup>
Canopy cover after 30 years	approx. 51%
