STAY INFORMED. GET INVOLVED. FEEL CONNECTED.

ISSUE 2 (JULY 2025)

Welcome to the Burnside Community Directory (2nd Edition)

Connecting People, Places & Possibilities

The Waimāero Fendalton-Waimairi-Harewood Community Board, in partnership with the Burnside Bryndwr Community Network (BBCN), is proud to share this second edition – *a resource created by the community, for the community*. Inside, you'll find up-to-date information about local services, clubs, groups, and support networks that help our neighbourhood thrive.

We know things are always changing, that's why we're committed to publishing an updated directory each year, and we're working on a future online version to make this information even easier to access.

Whether you're new to the area or have lived here for years, we hope this directory helps you feel more connected and supported, and maybe even discover something new.

Your Local Community Board

The Waimāero Fendalton-Waimairi-Harewood Community Board supports local initiatives, advocates for neighbourhood priorities, and helps strengthen community wellbeing.

Friends of Nepal Reserve (New)

We're starting a local group to help care for the native plantings at Nepal Reserve, creating and nurturing a native corridor. With more planting planned over the next couple of years, volunteers are needed to help establish and maintain this important habitat connection. No experience needed. Tools and gloves provided. Whether you can spare 30 minutes or a few hours, your time makes a real difference.

Want to join our contact list for working bees and planting days? Get in touch. Bring a friend or whānau and help grow this special native corridor.

Community Safety Organisations

Christchurch North Community Patrol

We are a team of committed volunteers patrolling local streets, schools, malls, parks, and public spaces to keep our community safe. By promptly reporting suspicious activity to the Police, we ensure everything remains secure. Interested in Joining? We work closely with Neighbourhood Support, allowing residents to request patrols for their streets during our shifts to address any concerns. Our volunteers come from diverse backgrounds—retirees, former police, fire, and ambulance officers, as well as future police recruits. If you're passionate about making a difference, we'd love to have you join us. Contact Mary: 027 694 2291 or chchnorthpatrol.chair@gmail.com.
