Waimāero Fendalton-Waimairi-Harewood Community Board Plan (new)

The Waimāero Fendalton-Waimairi-Harewood Community Board is currently developing their 2026-28 Community Board Plan. This is a three-year plan that sets out the community board's vision and priorities for the local community. It guides decisions on local activities, projects, and facilities, and helps the board understand what their communities would like them to advocate for.

The Board has come up with nine key projects they would like to focus on this term (three per Ward).

Please visit <https://letstalk.ccc.govt.nz/waimaero-fendalton-waimairi-harewood-community-board-plan-2026-28> to view the draft Vision and Priorities and provide us with your feedback. If you scroll to the bottom of the page and click on Start, you can see more detail about each priority and what the Board intends to do.

Draft Annual Plan 2026/27 (new)

An Annual Plan outlines the activities, services and capital projects the Council will deliver over the coming financial year, and explains how these will be funded, including the rates required.

The Council also prepares a Long Term Plan (LTP) every three years, outlining what we intend to achieve over the next 10 years, and how we will pay for it. Our current LTP covers 2024–2034. The Annual Plan identifies any key changes from the LTP for the financial year.

This Draft Annual Plan covers the financial year from 1 July 2026 to 30 June 2027, which is year three of the LTP 2024–34.

For more information and to make a submission, please click [here](#).

2025 Community Profiles

Each year, the Council's Community Support and Partnerships Unit produces community profiles of each of the 16 wards across the city.

These profiles are a snapshot of the ward in regards to the community infrastructure and includes the updated Census statistics and Deprivation Index information.

The profiles are now aligned with the Council's Strengthening Communities Together Strategy and provide information in regards to activities/groups/facilities in each ward that help meet the goals of each Pillar in the Strategy.
